

*It was a **Chilli** night 40 years ago when **Basil** fell in love with **Rosemary**. It was a **Marjoram** made in heaven and to share their good fortune they decided it was **Thyme** to open up a restaurant and call it **Il Fiume**. To assist in the kitchen, their friends **Olio** and **Aglia** sailed over from **Porcini** and only the finest produce got **Pasta** their scrutiny. The Seafood was so fresh, it spoke the local **Linguine** as it tantalised the tastebuds of the Dumfriesshire community. In just a few short months it was the **Calzone** restaurant in the region to serve up authentic Mama's **Minestrone**, and the customers flocked from miles around to savour the flavours and **Bruschetta** shoulders with the now famous duo from **Veroni**. There was **Nothing** they wouldn't do to keep their customers coming back for more, fine food and great service were **Parma** for the course! Four decades on, you can still **Focaccia** a **Pizza** the action as **Milan** and his team work their magic in this town!*
